

# CHATEAU LA FAVIÈRE

## VIN FIN DU TERROIR-ROUGE

---

**LOCATION:** Saint-Seurin sur l'Isle, on the boundaries of the Saint-Emilion vineyard. In the Libourne area of the Gironde department.

**VINEYARD:** 21 hectares (52 acres), managed using environmentally responsible winegrowing techniques. The oldest vines are over 50 years old; the average age is around 35 years.

**SOIL:** alternating layers of gravel and fine sand over a clay subsoil ensure optimal drainage.

**HARVEST AND VINIFICATION:** Grapes are picked at full maturity, one parcel at a time, considering the characteristics of the micro-terroirs. Then come the selective vinification: maceration and 72 hours cold pre-fermentation, long vatting period (more than 3 weeks) alternating cement and wooden vats. The malo-lactique fermentation is operated partly directly in barrels.

**BLEND:** Merlot: 60%. Cabernet Franc: 30%. Cabernet Sauvignon: 10%.

**AGING PROCESS:** Eighteen months with French oak for more complexity of tannins and aromas

### Tasting

#### TO THE EYE – OVERTURE

An intense red color.

#### ON THE NOSE – ALLEGRO

An elegant nose of ripe fruits and delicate spices notes.

#### IN THE MOUTH – LARGO

Rich and generous, it develops into a complex mouth with roundness and character.

#### FINISH

A very structured wine with suave tannins and a long-lasting and pleasant finish.

#### SERVING

Between 18 and 19°C (64-66°F).

#### CELLARING

10 years.

### Fine dining

#### THIS WINE IS A PERFECT ACCOMPANIMENT TO

Hamburger with foie gras and green apple

Filet mignon caramelized with vegetable tagliatelle

Rack of lamb with walnuts and Périgord chestnuts

Sushi with foie gras

Italian eggplant gratin...
